STANDS MANTLING BY THE EXHIBITOR ITSELF OR ANOTHER CONSTRUCTION COMPANY

The Exhibitor / Construction Company will be allowed to build the stand only after signing a separate contract with the Organiser and after approval of the stand plan. The access to the fairground on 5 - 6 November is only with passes which could be taken from the main foyer of Inter Expo Center.

Prolongation of the working hours during the days of stand construction, stand arrangement and stand dismantling should be allowed based on a written request. The Exhibitor / Construction Company should pay a fee for each booth for each started hour:

- 50 EUR per hour excluding VAT if the request is received until 2.00 pm
- 100 EUR per hour excluding VAT if the request is received after 2.00 pm
- 150 EUR per hour excluding VAT if the request is for the days of stand arrangement

Connection to the power supply without agreement with the electrical technicians is not permitted.

The Exhibitor / Construction company should avoid any actions which might result in damages to the walls, the floor surface, the ceiling or other structural elements of the exhibition halls.

The Exhibitor / Construction company is obliged to carry out the required OHS (occupational health and safety) instruction and training for the employees, who are assigned to work at the exhibition area, and to acquaint them with the possible risk for the safe performance of their activities.

STAND ARRANGEMENT

On 7 November every Exhibitor could receive passes for stand arrangement from the security guards at the Cargo Entrance (see the map at page 5).

Services applied for in the days of stand supply should be paid on site in cash.

Companies failed to pay for their participation at the exhibition will not be allowed to their stands.

EXHIBITOR'S BADGES AND INVITATIONS FOR FREE ENTRANCE

Registration of the exhibitors will take place on 7 November at the information desk in the foyer of halls 5 and 6 of Inter Expo Center. The exhibitor's badges shall be prepared after written request for the required number. Exhibitor's parking badges allow exhibitors to use parking lots (only for cars) during the exhibition.

Every exhibitor receives 50 invitation cards and via email another invitation, which is pdf file. The Exhibitors can send to their clients the above mentioned invitations for free entrance of the exhibition.

GENERAL INFORMATION

During the exhibition (8 - 11 November) supplying the stands with goods is allowed only through the glass doors of the hall 2 (entry 2a) and hall 3 (entry 3b) or through the main entrance of the Inter Expo Center during the opening hours.

On 11 November the glass doors of the hall 2 (entry 2a) and hall 3 (entry 3b) will be closed at 2.00 pm.

The electrical power to the stands will be shut off at 7.00 pm on 8 - 10 November and at 4.30 pm on 11 November.

The cleaning of the stands will be performed every morning between 8.30 and 09.30 am and includes only carpets with vacuum cleaner. The Exhibitors have to take personal care of the cleaning of exhibits, furnishing and displaying modules. Stands that were not built by Inter Expo Center will be cleaned after written request and additional payment.

Staying at the stands after the working hours is not permitted.

Taking exhibits out before 4.30 pm on 11 November is not permitted.

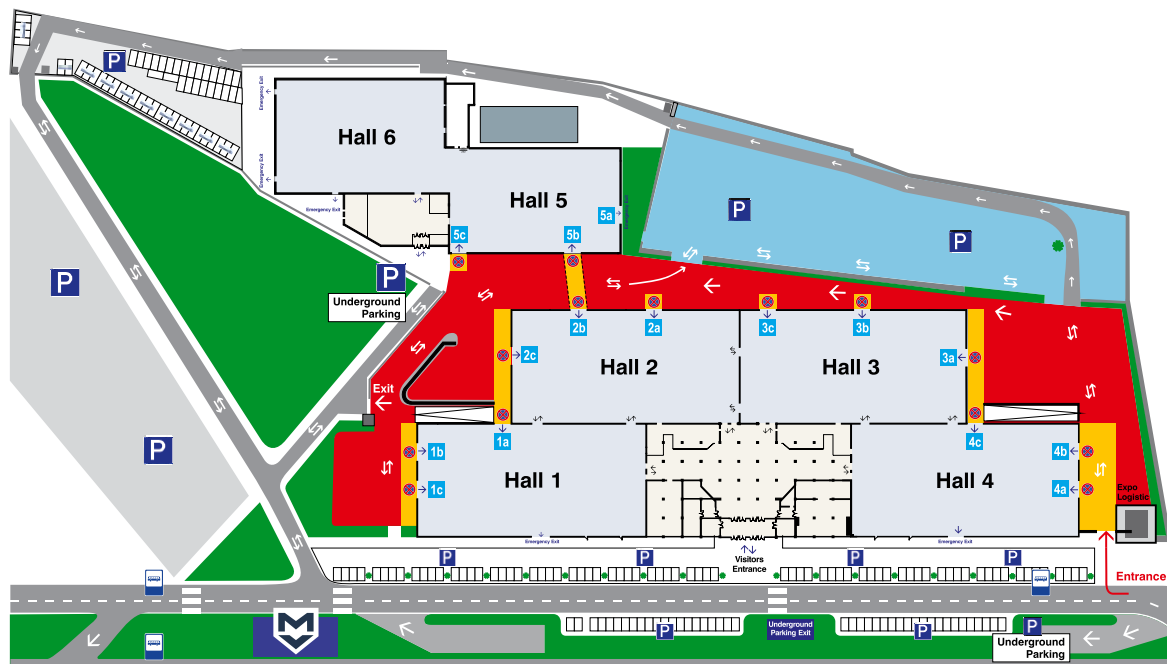

Halls will be subject to a general surveillance service performed by specialised personnel during the exhibition. The Organiser is exempted from any responsibility regarding thefts within stands. Complete security of the halls is provided outside the working hours of the exhibition.

Smoking is not allowed in all enclosed spaces on the territory of Inter Expo Center.
